RCMP – Staff Sergeant Jim Harrison handed out and discussed his Annual Report to Mayor's, Councils and RDKB. There has been a significant decline in crime in the area between 2010-2012. Midway detachment is going through a complete staff change over summer 2013.

Greenwood Motel & RV Park – Owner Rainer Nissen gave a hand out regarding his concern of the once a week garbage collection for the City of Greenwood.

May to October are the months of concern, which is the busier time for businesses and tourism. He voiced his concern that it would be unhealthy/unsanitary to keep garbage for that long, it is also an attraction to bears to which business owners do not want. He requested that council provide twice a week pick up of commercial garbage for these months.

Mayor Nipper Kettle stated to Mr. Nissen that the city staff will speak with the superintendent of public works to see if this is feasible during the peak months. CAO to look into a solution and to contact Mr. Nissen once a decision is made.
