Attended Fire Department meeting.  
Rob Smith will be training members who do not have Rescue Response training certificate.

Three members took the air brake course.

Diane Lapalme is very interested in joining the department. She is possibly going to take the Rescue Response Evaluator Course.

To have both a trainer and evaluator in house would be very beneficial to department.

Will be attending an Economic Development seminar in Castlegar on March 27, 2013.  
Ball Park - Preliminary plans have been taken to an engineer.  
Recreation Committee – Council discussed the relationship between the standing committee and City Council. It was clarified that City Council provides a fiduciary service for the committee. The committee is to recommend appropriate courses of action to council. Council then approves the financial expenditures. In this way the final authority for money being spent falls on the shoulders of City Council. This serves to protect the non-council members of the committee.
